**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Being able to have choices is our most basic way as Americans we can compare and make the best decisions for ourselves and family. Local businesses that gives us a choice helps us be able to manage our choices for success. We need to have more providers to meet and cater to the different needs of individuals. We do not need monopolies to dictate and have control of our choices.
